3 From the same office N° 460 dated 7.11.06 forwards a detailed report about the Inspection Lodge at Ettayapuram proposed to be converted into a Musafir Khana. The Lodge was formerly built out of District funds and was maintained from Bd funds for a period of 10 years. To look after the building some arrangements have to be made either by the District Board or the Revenue Department to whom it was handed over subsequently as the Educational department no longer makes use of it.

Amither does not lie on any important road either Provincial or District Funds. ~~Musafirkhanas are not so much benefit if located in out of the way places~~ Amither is an out of the way place, as will be seen from the map. If the Inspection Lodge can not be otherwise utilized, to better purpose than for a musafirkhana the Board's proposal will have to be sanctioned instead of allowing the building to dilapidate

Referring to this docket No. 2390 / LB(99-06)-2 dated 15th Septr. 1906 calling for additional information in re the conversion of Inspection Lodge at Amritur into a Musafirkhana, undersigned has the honor to state as follows in reply to the queries raised therein :—

(1) The Inspection Lodge at Amritur is reported to

out of District Funds when the road from Kunigal to Chiknur was formed.

(2). The building was maintained out of District Funds till 1895-96 when it was handed over to the Revenue Department. In 1900-01 it was handed over to the Educational Department as they found the building occupied by the Branch school at Chiknur insufficient and applied for the Inspection Lodge for the purpose of locating the school in it. It is ascertained from the Educational Department that no cost was incurred for its maintenance and that the Branch School Head Master was taking care of the building by dusting occasionally the school room to look after it. The places that have Travellers' Bungalow and

Chattram

Chattram are Gedung in and [illegible]

The former is situated at a distance of 14 miles from Amritsar by road and by about 8 miles across Country. Ghuman Gurdaspur is about 26 miles from Amritsar by road and about 10 miles across Country. At Amritsar is an important Mobile Head-quarter and as there is an unutilized public building available it is proposed to convert it into a Mussafarkhana and sanction is requested therefor.
